

Dear Thetas,

Once again, the CNS Alumnae Chapter is offering fresh fruit from Langdon Barber Groves. All proceeds will be donated to Kappa Alpha Theta Foundation.

This program allows you to order fruit online and have it shipped either directly to you or to someone else you think would enjoy this refreshing citrus.

Follow the instructions below to support our cause:

1. Go to www.doorstepdirect.org
2. Choose which delivery category you would like to order from in the upper left side of the home page

Holiday Deliveries	All products in this category will ship the week of 12/24/14 or sooner; Last day to order 12/10/14 (Note update!)

 - b. There is a one-time \$3.00 processing fee for each complete order, regardless of the number of items purchased
4. Once you are done shopping, click the checkout button at the bottom right side of your shopping cart screen
5. Shipping Information
 - a. The shipping information will cycle through each recipient's address information screen
 - b. No PO Boxes please, as UPS is used for delivery
 - c. The last line to be filled out is the personal message. Please fill this out so the recipient knows who sent the item

6. Complete the Credit Card Information section
7. Billing Information
 - a. The first line, Group ID, is going to require you to enter **IL10358** so that we receive the credit of your purchase
8. Group Salesperson is optional; use your name if you wish.
9. Please verify all names and addresses on the order summary screen, as we are not responsible for any incorrect addresses

You will receive an email as your receipt for the purchase. Please email Karen Keane at kLkeane@ameritech.net with any questions.

We hope you will support us in our 2014 fundraising effort. Orders may be placed by anyone so please share this email with friends, neighbors, & relatives. The Chicago North Shore Alumnae Chapter of Kappa Alpha Theta appreciates it!

Loyally,
Karen Keane
